*To the tune of "The Lion Sleeps Tonight"*

Hawé\* Chakra Chautauqua Clan,

Thank you for using  
Sacajawea's Sap®  
to reveal the colors  
of your indigenous  
Chakra wheel.

This Chautauqua Wisdom Formula  
is what our higher nature  
uses to distill  
Spiritflow®  
from the heirloom energy  
in our body's earthroots,  
and to weave the matrix  
of our native ancestry  
into the karmic colors  
of our future.

This formulation  
is spiritcrafted  
with the ancientest  
deciduous fluids,

infused with owl-feather osmosis  
into a Spiritflow state  
for smooth entry into  
the Chautauqua Wisdom,  
anytime. To use, simply mix

in activator vessel,  
swallow and thrive.  
Enjoy the alchemy.

Love,

Cathy and Larry

*To the tune of "Duke of Earl"*

Cowabunga DriftWave Crew,

Thank you for checking out  
Power of Poseidon®  
potency powder  
to guide the ride  
into your own  
tantric WaveFlow.  
This DriftWave-  
activated Formula  
is *the* way to introduce  
Dolphin Sacred magnetism,  
and manifest the ocean's  
infinite energetic  
as your body's sensual horizon.  
Tidepool into a multiversal pleasure  
that dazzles with seaglass,  
anemone, starfish  
and DriftWood®.  
This tantric waveform potency blend  
is wild-caught  
on the shores of the former Pangea  
before it is salt-purified  
with enzymatic ions  
into a DriftWave state

for easy access to the WaveFlow.  
To use, simply mix  
in activator cowrie—  
bottoms up.

Ride the lightwave.

Love,

Gary and Pam

Green Greetings One and All,

Our gratitude to you  
for embarking on  
the verdant venture  
that is EcoSlipper.  
Eco-friendly  
fair-trade  
cryo-degradable  
footwear that  
clearly turns a new leaf  
for people like you  
who want to  
make a big impact  
with a small footprint  
and an even smaller  
debt of gratitude  
morally

The rainforest canopy’s  
banana leaves  
are waited for  
by slipper shamans

and when they fall  
are harvested  
into slippers like  
the ones the natives  
wear there in

where? wear some green  
gris-gris green greed  
cattle pasture

grieving indigenous  
communities we  
give one percent of  
our proceeds to

eco-logical eco ego  
slipper tripper turtle habitat  
eco ergo eiko eiko

*See that man all dressed in green  
eiko eiko an de  
he's not a man he's a loving machine  
jacamo fee na ne*

*Talkin bout hey now love, hey now love, hey now*
